Dear Niedzwiecki,

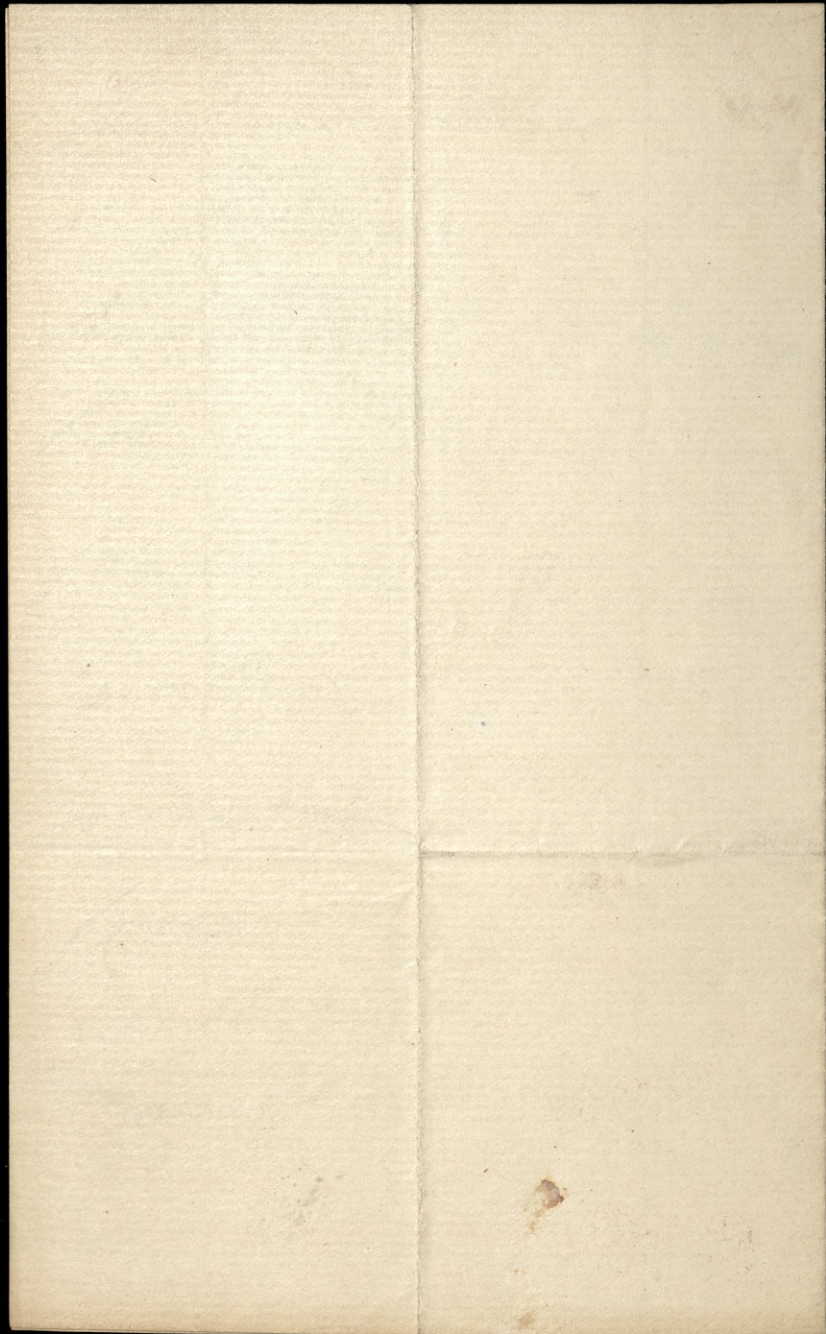

Will you kindly do  
me the favour of going to  
Lagriffes, & ordering 8 copies  
of the likeness you thought  
so very good — My friends  
bother me right, & left  
for copies: & I have none  
left. Get them at once  
& send to above address

My father made me  
a present of two  
fine hunters on Monday  
last. — Found all my  
family well, & in excellent  
spirits — Excuse  
me (as I am in haste)  
from,

Sincerely yours.  
Chas. J. Palmer
